

## B.W.C Brandon Wood Workers Club

**President Ruth's Letter:**

**Greetings Fellow Woodworkers,**

The meeting started at 7:00 PM on April 10, and progressed as usual. Terry Sanchez our Librarian reported we now have 4 new videos in our library. Our program was given by D.V.M. Norman Busciglio on how to create Cabriole Legs for 18th Century furniture. Our club appreciated his insight and approach to this fine art.

For the June meeting preparation, clocks with four different types of faces were distributed. If anyone didn't get one, the clocks will be available during the May meeting. If you want more than one clock, you are required to pay \$7.00 each after the free one. Naturally, you are expected to make a clock and bring it to the June meeting.

A reminder for May meeting, make your item out of a 2x4x8. A drawing will be held and 3 prizes will be awarded \$15.00-\$10.00-\$5.00.

Tim Humberson read a list of tools available for buy, sell, trade. Contact him if interested at 689-5428.

Art Falcone won the drawing from show and tell and received a Gift Card from Lowe's for \$10.00.

George Dinsmore won the 50-50 drawing in the amount of \$12.50.

The items from past meetings and business cards are being stored in the new cabinet that contains our library. The empty plastic box is now with Marvin Lopez for storage of toys made by

members for distribution at Christmas. Marvin Lopez announced that he received a large amount of toy parts that need to be finished by our members and added to the collection. Please take some parts and finish them. Thank you.

Tell your friends and neighbors about our club and bring them along to the meetings. Let them know that family membership dues are \$25.00 a year. Anyone can download an application from our web site.

We still need more programs by our members or by some one outside our club.

Please provide me any leads you may have for these programs.

Thank you and I look forward to seeing everyone at our May 8th meeting.

Ruth called the meeting to order at 7:00pm

She welcomed 2 visitors this evening, Bill Doyle and Dave.

Ruth explained the Library to the guest. Ruth announced that Tim was selling 50/50 tickets

**Show & Tell pictures:**

*Lynn Laursen brought in a tractor and trailer he makes from plywood and cedar*

**Terry shows us some Acrylic acetate pens he turned.**

**Art shows us a 3 leg table he is making. It is not finished yet. He also brought in a jig to illustrate how he made sliding dovetail joints to attach the legs to the spindle.**

**George is holding one of several turnings he brought in. this one is made from tiger maple and he used a dye of several colors to get the color added to the bowl.**

**Art Peasall shows us a sled he made to hold small parts safely. He uses it on the router table and his table saw.**

**Lloyd is holding one of the scroll saw projects he brought in, a lighthouse.**

**Tim is holding a Love plaque he scroll saws these projects. The letters are cut from a special plywood with a commercially applied finish. Blue in this case.**

**Ruth shows us a fish & horse's head she made from walnut, oak & mahogany.**

**Marvin brought in an upright jewelry case. He made this for his daughter out of pine. He now has several request to make more out of oak.**

**Harold made this toy chest for a grandson. He used pine and did a lot of wood burning for decoration inside and out. The straps are carved into the wood.**
