

B.W.C Brandon Wood Workers Club

President Ruth's Letter:

Greetings Fellow Woodworkers,

The meeting started at 7:00 P M 10 July 07

This month we had no visitors. Treasure's report shows we can afford to give away \$10.00 certificates for Show and Tell participants. Thanks Brady

Grover Good is not doing well and losing weight. Send cards and keep him in your prayers.

He has had many tests and is going to have more to try and find out what the problem is.

The Brandon Woodworking newsletter is looking good and very informative. Good Job Bill!

Program for August is P.E.T. Personal Energy Transportation will be presented by Jeff Sukup. Tell your friends and neighbors and bring them along. I am sure it will be interesting.

A news flash:

The building was broken into with little damage to the area. We did not lose anything and everything was in order. I went and checked it out on June 22 after being called by the President of the Brandon Women's Building Mgt.

Tim brought in an advertisement from Sears called a CARVEWRIGHT costing \$1899.99. It is an automated carving machine plus.

Gene won the Show and Tell presentation with his clock out of "Plywood" and received the \$10 gift card from Lowe's.

A big thank you to John Sheldon for all the refreshments every month. I truly do appreciate your help and Jewel's baking.

The program was given by Bill Hanson on Hand Made Dove Tails. Thanks Bill a Job well done.

Meeting was concluded at 9:00 P.M.

Respectfully, Ruth East Pres.

We still need something in the month of Nov 07 and Jan 08. I would like some suggestions or participation by any of you.

Please provide me any leads you may have for these programs.

Tell your friends and neighbors about our club and bring them along to the meetings. Let them know that family membership dues are \$25.00 a year.

Anyone can download an application from our web site.

Thank you and I look forward to seeing everyone at our August 14th meeting.
Ruth East President
