

B.W.C Brandon Wood Workers Club

President Ruth's Letter:

Greetings Fellow Woodworkers,

I must apologize for the May meeting starting a little late; the good news is we were finished with all business before 9:00 P M.

Guess that wasn't so bad after all, but I will try to not let it become a practice.

Once again bring your friends and neighbors to our meetings.

Buy, sell and trade items are advertised in the brandonwoodworking.com web site. Keep on checking for new items available. The link is below.

The 2 x 4 x 8 program went very well with a variety of items completed. I am sorry the reporter did not get back to some of you folks for an interview that she requested. Not sure what the problem was, but our program was a very successful one.

Distribution of \$15, \$10 and \$5 prizes were awarded to 3 lucky participants.

We also had 5 or 6 items presented in Show and Tell.

I am very happy to see the many participants in all the programs. Keep up the good work!!

Again we must thank John Shelton for providing all the snacks and beverage's, we do appreciate your efforts.

Here is a heads up on our programs for the future: July Demonstrating Dovetails by Bill Hanson in August Jeff Sukup presenting Personal Energy Transportation in September Wood burning Etchings by Jack

Smith in October Wooden White House by Don Crescent.

We still need something in the month of Nov 07 and Jan 08. I would like some suggestions or participation by any of you.

Please provide me any leads you may have for these programs.

Tell your friends and neighbors about our club and bring them along to the meetings. Let them know that family membership dues are \$25.00 a year.

Anyone can download an application from our web site.

Thank you and I look forward to seeing everyone at our June 12th meeting.

Fair Report:

Art Falcone reported on changes to the Fair entries and categories. Furniture is considered to be an object that sits on the floor. Accessories are things that rest on furniture or hang on the wall. There are 29 different sub categories in the furniture category. Also there is now a "BASIC" and Advanced exhibitor entry levels. A basic exhibitor is one that has never won a Blue Ribbon and Advance exhibitor is one that has won a Blue Ribbon or better. Along with these changes are changes to the prize money allotments. For more detail of the changes please get with Art.

Library:

Terry Sanchez reported he had obtained 4 new books compliments of John Fischer. If you have any specific request for media books or DVD's let Terry know.

Toys:

Marvin Lopez reported the toy program is growing and he has lots of incomplete toys given to him from Jim Canella. Wheels and wheel pegs are available to complete these toys to be added to our collection for the children at Christmas time distribution. Let's all take a few and complete them please.

We have a total of 192 toys to date up from 57 last month.

New Business:

Ruth is contacting several places for the Christmas party in December to see what might be available. She will report her findings at the June meeting.

There was an open discussion of what could be done with the members projects made for the monthly programs. If members do not want their projects, they could be donated to a charity organization, Tim Humberson knows of one associated with the hospital. The crafts or projects are sold to raise money. There was no conclusion to the suggestion, we need to bring it up again and discuss.

Old Business:

Clocks have been distributed and more are available for the June program. Hopefully we will have a very successful program. There will be 1st, 2nd and 3rd prizes awarded in a random drawing from those bringing in a clock project.
