Don made a White House 2 FT X 2FT. He explained that he made one 3 ft and presented it to Mrs. Laura Bush at the White House.

Don pointed out that the windows are 3 different shapes and styles depending on which floor they are on. They had pictures, trees, lamps and it was truly a site to see. The whole building did light up with lights on the inside and out. Thanks again for this presentation.

Thanks for another successful meeting.

We still need something in the month of Nov 07 and Jan 08. I would like some suggestions or participation by any of you.

Please provide me any leads you may have for these programs.

Tell your friends and neighbors about our club and bring them along to the meetings. Let them know that family membership dues are \$25.00 a year.

Anyone can download an application from our web site.

Thank you and I look forward to seeing everyone at our November 13th meeting.
