January's Newsletter

President Bill's Minutes:

Greetings Fellow Woodworkers,

President Ruth East opened the meeting at 7:00 PM on January 13, 2009.

There were no guests at this month's meeting.

Terry gave the Library Report and announced he had six new books relating to scrolling. Some of these books contained patterns as well as techniques and filled a longstanding desire of our scrolling community for some literature specific to their interest.

Brady gave the Treasurer's Report and reported that as of that evening we had only two paid members for 2009! A general rush of dues paying ensued and the membership assumed its normal proportions.

The Treasurer's Report is as follows:

Beginning balance	\$574.90
Income	
50/50	18.00
Dues	450.00

	468.00
Expenses	
Rent	20.00
Gift Card	10.00
Name Tag	6.15
Books	23.50

59.65

Ending Balance \$983.25

We have one new member: Dave Hardin – welcome, Dave!

The new roster now numbers 36 members.

After the Treasurer's Report, Ruth announced that the order of the day was to elect new officers. She asked for volunteers and after some discussion and cajoling, officers and committee chairs for 2009 are:

Bill Dixon President
 Art Falcone Vice President
 Brady Placek Treasurer/Membership
 Terry Sanchez Library
 Gene Simmons Toy Chairperson
 Art Falcone Fair Chairperson
 Frank McMullen Newsletter
 John and Don Refreshments
 Tim Humberson 50/50 Chairperson

There was no new business to discuss so we went to break. After the break, Bill took over the meeting as our 2009 President – Thanks for stepping up, Bill

Lloyd Hart sold 50/50 tickets for a total of \$36.00, James Williams won \$18.00.

Art Falcone passed around a sign-up sheet for the days we have been asked to cover the Fair. We are responsible for February 8th and 9th. The slots were all filled and we have been receiving our admission tickets from the Fair. Don't forget to wear something that identifies you as a club member so Fair Goers know who to ask.

Marvin Lopez read the letters of appreciation from the organizations who received toys.

We had ten participants in Show and Tell and Frank McMullen won the gift card. He swears that all the tickets in the drawing did NOT say "Frank".

During Show and Tell, Terry told us about a source for rough sawn walnut in Dade City. The price was about half of local suppliers. The contact is Dean at 352-522-1177.

This is the finished product after repair by Brady. The family heirloom painted and damaged in a "garage crash" is restored to its original beauty.

Terry created this night stand as part of a bedroom suite for his wife. It will be shown at the Fair.

Bruce with his Baseball Collection case. He is planning to make a number of these.

Art created this beautiful and clever jewelry chest that looks like a stack of books. It will be at the Fair, also.

Frank shows his biplane model. One of these will be at the Fair, also.

Here Bill is holding his clever solution to storing a coin collection. The box is designed to hold coins in plastic display cases and stack easily.

Tim and two butterflies cut in Corian. Bill Dixon has more Corian available, too.
