Show and Tell

We had six participants in Show and Tell and Bruce Woody was this month's winner!

Show-N-Tell Pictures

Bill showed three sets of Dolphins which were really great. He used walnut, cedar and aspen.

Bill's three dolphins – quite a body of work!

Tim also had a teak letter opener visible to the right of his plaque.

Bills Chihuahua is shown in its finished state and looks great even though it was Bill's first attempt at intarsia!

Ron Grote spent a lot of time making this frame juuust right to please his daughter. Haven't we ALL been there?!

Tim had a beautiful U. S. Air Force plaque. It really looked good on that blue background.

A little closer look to show how beautifully it came out. Ron used pine and built it up out of 4 different pieces.

Ruth made three military plaques, Army, Marines and Coast Guard. They are all cedar .

As you can see from this detail, all three plaques are intricate and required great care and patience to complete. Really neat, Ruth!

Lloyd showed a great scrollwork horse set on colored plexiglass. I think Lloyd has a great time doing these plaques!

Lloyd also made three puzzles. These are wonderful toys and we should make more for our Toy Program....if we can learn how! ☺

Bruce made a selection of pens, both button clock and cigar pens. He was in Wisconsin and “bought out” Rockler’s supply, he said!

Bruce’s pens are made from Honduran Rosewood, Olive wood and plastic. They are all beautiful!
